The Forentine 59637 is a son of the great breeding bull, imp. Diamond Rex 45168, and out of imp. Florence 14th 48430, by Daybreak 78690.

Royal Prince 71490 26065 is a pure Golden Drop bred by Mr. Campbell, used by him for one season and at Thistle Ha' for six seasons with the greatest success. No Shorthorn bull in America during the past six years has left such a valuable lot of calves, and they have sold very readily at good prices. His sire and dam were both successful show animals in Scotland and both made a great record as breeders.

Topsman 63447 is a Maid of Promise sired by the grand Cruickshank, sire, Gravesend 46461, used for many years by Mr. Campbell and Mr. Duthie. Topsman was the greatest sire for producing natural thick flesh that we have known, and this feature has descended in great degree to his progeny offered in this catalogue.

Sally 15th is dam of an extra good C. C. (which sells with her) by Masterpiece, and she is also dam of the Sittyton Secret 5th in this catalogue. She was bred to Selection. She is a very rapid breeder and a heavy milker.

Glenbrook Sultan needs no comment. He is known the world over as a champion and sire of champions. Many of his get are in this sale, and here is the only place to get them, as he is dead. This sale will be the last time to get cows of merit bred to him.

Imp. Chamberlain Heir 2d was personally selected by M. E. Jones from the herd of Philo Mills, England, believing him to be the best calf at that time of Mr. Mills' herd. He is a pure Scotch of the very best breeding.

Imp. Cupbearer has an almost unbroken succession of victories to his credit, won in the sharpest competition at the leading shows of both continents. His career as a show bull of both continents is too well known to need comment in this connection; suffice it to say he won more championships in Great Britain, Canada, and the United States than any bull imported.

Foxglove 5th is not 4 years old and has had two calves, and bred again to the Champion Selection. She is a heavy milker, and one of the good daughters of the great breeding bull, Selection. Her dam sold in my sale, April, 1912, for \$900. She is thin, but is a good cow. Don't overlook her.

Note.—**Cumberland's Lassie** is what good judges say is a great breeding cow. She has a right to be good; look who is her sire—the show bull and sire of champions. Cumberland's Lassie is a half-sister to the grand champion bull, King Cumberland of 1909, and also half-sister to Susie Cumberland. Her dam, imp. Lena, is a great brood cow, having raised nine calves, and every one a good one.

Cumberland's Last 229822 is too well known to the Shorthorn world to need any comment. He has sure proven himself a great sire and a few of his get going into this sale proves what he can do as to siring show stuff of both sexes. He belongs to the good, reliable Miss Ramsden family, and is sired by Cumberland.

Scotland's Fame 167040—red. of 1897, bred by Mr. Wm. Duthie, Collynie; owned by Mr. H. R. Macrea, Clunes, Scotland. A Miss Ramsden, sired by the Bruce-bred Augusta, High Steward 132051, dam, Scotland's Belle by the renowned Scottish Archer 117301; Princess Consort by Comet 96835, etc.

Mandarin 157933—red. of 1892; bred by Mr. J. L. Reid, Cromblybank, Scotland. A Campbell Mina, sired by the prize winner, Royal James 120945; dam, Mina of Deystone by the Campbell-bred Nonpareil, Gladstone 51801, Mina 4th by Luminary 34715.

Sittyton Roan Sultan is a very promising young bull. He is out of a great cow and is sired by a champion bull, and a grandson of the great White Hall Sultan, also a grandson of the great Cumberland Last, combining the blood of the two great bulls, the sires of champions. If you are looking for a good bull, don't overlook this one. He will make good, and I believe you can make no mistake in him.

Sittyton Champion 389500 is a solid red bull and a very promising youngster; is smooth, low-down type, and I believe will make a great sire. He carries the blood of many of the noted bulls of Great Britain, and is strong in the blood of White Hall Sultan.

Browndale Sultan 334947—calved February 2, 1910; bred by Carpenter & Ross; got by Avondale 245144, out of Maxwalton Mina 2d 22601; got by Avondale 245144, out of Mina Princess 4th 12611, got by White Hall Count 209775, out of Mina Princess 3d, got by Royal Canada 136788, out of Mina Princess 2d by Sittyton Stamp 110269—tracing to imp. Mina Princess by Golden Prince 64901.

Double Victor 146654—red, of 1898; bred by Forbes Bros., Henry, Illinois. The name is suggestive of the breeding, a double Cruickshank Victoria, sired by the Dustin bred Victor Lad; dam Victoria of Linwood 3d by Baron Gloster; Victoria of Glenwood 6th by the Duthie bred imp. Earl Marshall 92167; tracing to imp. Victoria 73d by Roan Gauntlet.

Champion 118343—red, of 1894; bred by J. S. McCauley, Emerson, Illinois. Sired by the Cookson-bred Cruickshank Rosemary, Favorite of Maple Leaf; dam, imp. Athene by Baron Violet.

Note.—Selection, I believe, is too well known to the Shorthorn world to take time and space in this book telling of what he has done. It would take a lot of space to tell all this bull has done, and he is doing his good work always, as he is proving a great sire. He was grand champion bull at 1909 International, Chicago, so that is an honor few bulls ever carry away. This bull will make a far better show this year than last. He is in fine form. He is up for year appraisal and is worth just what you will pay for him, but I believe he is cheap at any price.

Avondale is a bull known the world over as a show bull and as a sire of show stuff and champions. Few bulls have done more for the breed than Avondale, and his calves are much sought after wherever seen.

Selection is in better form today than he ever was. He is doing better work than he ever did—his calves look good. A bull breeding as he is today is worth a lot of money; in fact, no breeder realizes his value until he loses him. Few bulls of his breed has to his credit what this bull has.

Cruickshank's Duchess of Gloster are among the best cattle ever bred in Scotland. You will notice in above pedigree names of some of the best bulls ever owned by Mr. Cruickshank. No pedigree in the English or American herd book is looked upon with greater favor than the grand old Duchess of Gloster breeding. Like the Victorias, they are descended in an unbroken line of the very best and most desirable breeding from the famous Colling Bros. oldest and highest prized strains. In the hands of Mr. Cruickshank they have produced some of the most famous sires ever produced in the herd. At the time of the dispersion of the Cruickshank herd, 21st Duchess of Gloster was considered the most famous female in the herd. This has been a very useful cow in the Johnson herd, and had the herd been kept she never would be sold.

Sittyton Duchess of Gloster is one of the best daughters of the great Glenbrook Sultan. She is smooth, blocky and the making of a great cow; heavy in calf to Masterpiece, and a calf from this mating is worth much. Don't overlook this heifer.

Note.—Foxglove 5th 86835 is one of the good heifers in the Johnson herd; one they would not price had they kept the herd. She is an extra good, big, smooth heifer and is from one of the best cows in the herd. Her dam, Plum Pudding, is a grand cow, and she sells in the herd, and has at foot one of the best bull calves the Johnson herd ever produced, sired by the old bull. Don't overlook this heifer.

Glenbrook Sultan needs no comment. He is known the world over as a champion and sire of champions. Many of his get are in this sale, and here is the only place to get them, as he is dead. This sale will be the last time to get cows of merit bred to him.

Imp. Chamberlain Heir 2d was personally selected by M. E. Jones from the herd of Philo Mills, England, believing him to be the best calf at that time of Mr. Mills' herd. He is a pure Scotch of the very best breeding.

Imp. Cupbearer has an almost unbroken succession of victories to his credit, won in the sharpest competition at the leading shows of both continents. His career as a show bull of both continents is too well known to need comment in this connection; suffice it to say he won more championships in Great Britain, Canada, and the United States than any bull imported.

Foxglove 6th is a good young heifer; not in shape to sell, but will do good in some herd.
